Unknown Brewing Ginger Wheat | \$5

Classic Pale Wheat, this has a typical creamy mouth-feel from the wheat and light citrus flavors accentuated by the addition of ginger.

Sugar Creek White Ale | \$6

Belgian Witbier based on recipes dating back to the 1300's- incorporates a grain bill that is roughly half unmalted wheat and oats. Uniquely-cultured yeast from the original strain near the Belgian town of Hoegaarden provides classic fruit esters and slight notes of coriander and orange peel.

Olde Mecklenburg *Fat Boy* Baltic Porter | \$7
